2. To help individuals understand and pass the Project Management Institute (PMI, Pennsylvania, USA) certification exams.
3. To help Project Practitioners gain necessarily skills in the use of Project Management Information System (PMIS) tools.

Mission

To help professionals and organizations achieve their goals and aspirations through the provision of world class capacity building programs.

Program Testimonial

"I participated in ATC Project Management Training in June/July 2011, Lagos. The Facilitators were astute and vast. The training was hands-on, straightforward and it increased my skills and expertise in handling projects in real life scenarios. The Project Management skills and exposure I acquired during the training has actually helped me increase my level of productivity and I was able to pass my international certification exam (PMP) at a sitting. Every working professional aspiring to increase his/her Project Management expertise should attend the training.

Dayo Adeboye (PMP). OandO, Victoria Island, Lagos. 08036761493

I was part of ATC Project Management training in Lagos 2014 and it was a real value for my money. The training was scenario based, hands-on and it increased my project management exposure. I passed the PMP exam at a sitting. I completely recommend the training for working professionals.
